

OUR MISSION is to provide affordable, high quality housing and services which will respect and enhance the lives of residents and those who are making the transition to senior housing and assisted living facilities.

FOUNDED IN 1964
by FATHER BERNARD REISER

In the summer of 1964, Father Reiser felt that the vision for Epiphany Parish needed to include Senior Housing so that seniors would be able to have a significant role in parish life over the years.

That dream was fulfilled when the Epiphany Pines Independent Living was built in 1994, and Epiphany Assisted Living and Memory Care shortly after in 2000. Father Reiser himself became a resident in 2005. From his window, he can watch deer running through the woods, ducks flying in formation, and view the beautiful pond below.

Now, people of all faiths enjoy his vision. Epiphany staff are welcoming and friendly, and professional—meeting all the needs of residents. And, in the tradition of Father Reiser, this community continues to be a place where neighbors are friends, and people really care.
